Celebrating Our Cultural Diversity

The Village of Sleepy Hollow believes that the Sleepy Hollow Cultural Festival enriches our community with a celebration of the many cultures our residents represent by creating a day of fun programming that is welcoming to everyone.

Thanks to the participation of local businesses and talent the festival is also a showcase and celebration of the diversity and creative talent within our community.

Many thanks to the Mayor, Village Board of Trustees, Village staff, our sponsors, volunteers, performers, vendors, artists, and attendees. We hope to continue producing this festival annually. If you would be interested in participating or helping to plan future events, please contact Diana Loja, Sleepy Hollow's Community Liaison at dloja@sleepyhollowny.org.
